

## 2004 Winter Inspector Updates

Several of Wisconsin's inspector associations, in cooperation with the Wisconsin Department of Commerce Safety and Buildings Division, offer winter 2004 training sessions addressing the Wisconsin Electrical Code, Wisconsin Uniform Dwelling Code, and the Wisconsin Commercial Building Code. These courses are designed to meet the continuing education requirements for individuals carrying some Safety and Buildings Division inspection credentials. Fire inspectors, designers, contractors, and others with an interest in Wisconsin's building codes, will also benefit from the programs.

A UDC, CBC, or electrical inspector's continuing education responsibility is to obtain 12 hours of credit every two years for each category. (There are no con ed requirements for the first renewal after passing an exam.)

Check the address page of this flyer to read S&B's current con ed records for relevant inspector credentials you hold. The hours earned reflect training records received by S&B as of December 15, 2003. The credential abbreviations are: CBI (Commercial Building), CEI (Commercial Electrical), UCI (UDC-Construction), UHI (UDC-HVAC), and UEI (UDC-Electrical).

If you have questions regarding your continuing education status, contact the S&B Credential Unit, 608-261-8500, [madisoncred@commerce.state.wi.us](mailto:madisoncred@commerce.state.wi.us). You can also check your credential status online, <http://www.commerce.state.wi.us/SB/SB-CredentialStatusCheck.html>.

**Notice that there are different offerings in the different locations. Also, who you make the check out to and where you mail it varies.** All sessions, however do have the same time schedule - registration at 8 a.m., program at 8:30 a.m., lunch provided from noon to 1 p.m., and adjournment at approximately 4 p.m.

### These classes are available:

- Commercial Electrical Code - This course will cover commercial electrical code topics. Con ed credit: 6.5 hours for CEI. Includes lunch at noon. The training will run from 8:30 a.m. to 4 p.m.
- UDC Electrical Code - This course will cover dwelling electrical code topics. Con ed credit: 6.5 hours for UEI. Includes lunch at noon. The class goes from 8:30 a.m. to 4 p.m.
- Uniform Dwelling Code - This course will cover the recent UDC changes, insulation, truss installation, and HVAC issues. Each attendee will be provided with a copy of the new UDC. Con ed credit: 6.5 hours both UCI and UHI. Includes lunch at noon. The class goes from 8:30 a.m. to 4 p.m.
- Commercial Building Code - This course will cover existing buildings and code search design methodology. Con ed credit: 6.5 hours CBI. Includes lunch at noon. The class goes from 8:30 a.m. to 4 p.m.

Send a completed registration form to the **inspector associations, not S&B**. The correct fees, which vary because of different handouts and varied meal/break costs, must be included. Registration must be received by the Monday of the week before the desired session, or a late fee of \$10 must be paid. A confirmation letter will **not** be sent to registrants, so **save a copy of the form** for future reference. No refunds will be given after the Monday of the week before the desired session.
